ABOUT	EDUCATION
<p>I am an artist and educator. As an artist my practice is interdisciplinary, combining image with text and audio. As a teacher, I strive towards student-centered, project-based, anti-racist and multicultural education. I am passionate about the intersection of art, history and justice.</p>	<p>Sonoma State University //2022 <i>Teaching Credential</i>, Single Subject: Art</p> <p>California Institute of Integral Studies //2018 <i>Masters of Fine Arts</i>, Interdisciplinary Arts & Photography</p> <p>University of Washington //2010 <i>Bachelor of Arts</i>, International Studies, Minors: Human Rights, African</p> <p>Photographic Institute Northwest //2009 <i>Certificate</i>, Black & White Darkroom Photography</p>
